Celestina had wanted to go to Oregon for the service, but Tom, Max Bellini, the Spruce Hills police, and Wally Lipscomb-to whom, by Sunday, she'd begun talking almost hourly on the telephone-all advised strenuously against making the trip. A man as crazed and as reckless as Enoch Cain, expecting to find her at the funeral home or the cemetery, might not be deterred by a police guard, no matter what its size. Yet had the obstacles been piled twice as high, the time had come to put into words what they felt for each other and to decide what they intended to do about it. Celestina knew that in depth and intensity, as well as in the promise of passion, Wally's love for her equaled hers for him; out of respect for her and perhaps because the sweet man doubted his desirability, he tried to conceal the true power of his feelings and actually thought he succeeded, though in fact he was radiant with love. His once-brotherly kisses on the cheek, his touches, his admiring looks were all still chaste but ever more tender with the passage of time; and when he held her hand-as in the gallery this evening-whether as a show of support or simply to keep her safely beside him in a crosswalk on a busy street, dear Wally was overcome by a wistfulness and a longing that Celestina vividly remembered from Junior high school, when thirteen-year-old boys, their gazes filled with purest adoration, would be struck numb and mute by the conflict between yearning and inexperience. On three occasions recently, he seemed on the brink of revealing his feelings, which he would expect to surprise if not shock her, but the moment had never been quite right. The sound-suppressor didn't render the pistol entirely silent, but the three soft reports, each like a quiet cough muffled by a hand, wouldn't have carried beyond the hallway. Shivering, Junior slammed the trunk lid and warily surveyed the lonely landscape. Black pines spread bristled arms through the chary night, and the moon cast down a jaundiced light that seemed to obscure more than it illuminated. Seven or eight years after Tehanu was published, I was asked to write a story set in Earthsea. A mere glimpse at the place told me that things had been happening there while I wasn't looking. It was high time to go back and find out what was going on now. This morning, as Barty stood to one side listening, his mother asked Maria for poems by Emily Dickinson. If the angular mass was Neddy, the vaguely warm, damp something must be the strangled man's protruding tongue. Crossing Spruce Hills with John, Paul, George, Ringo, and dead Thomas, Junior headed back toward Victoria's place, where Sinatra was no longer singing. The moment he had seen the building in which Nolly maintained an office-an aged three-story brick structure in the North Beach district, a seedy strip club occupying the ground floor-Junior knew he'd found the breed of snoop he needed. The detective was at the top of six flights of narrow stairs-no elevator-at the end of a dreary hallway with worn linoleum and with walls mottled by stains of an origin best left unconsidered. The air smelled of cheap disinfectant, stale cigarette smoke, stale beer, and dead hopes. Prepared for any contingency, Junior listened to the house until he was certain that he needed the knife for no one else. Junior couldn't see the lights of the nearest other houses. Either those structures were screened by trees or the neighbors weren't home. Angel raised her attention from the salt shaker to Tom's face, studied his scars for a moment, and said, "No." "Well," Kathleen said, "even if the money wasn't so nice, I'd be sorry to see this case end." Since her conversation with Joshua Nunn the previous Thursday, she'd had more than four days to armor herself for the worst. She prepared for it as well as any mother could while still holding on to her sanity. Eventually he approached the door between the dining room and the kitchen. He paused there, listening. He hurried the length of the diner, pushing past waitresses, checking out all three of the possibilities, but of course, none of them was the dead detective--or anyone else Junior had ever seen before. He was looking for--what?--a ghost, but vengeful ghosts didn't sit down to a meat-loaf lunch in the middle of a haunt. use it. The cop was no threat to the English army, as Joan had been, but as far as Junior was concerned, the creep most definitely deserved to be burned at the stake. He moved the shaker across the tablecloth, rocking it back and forth to convey that he was strolling without a care in the world. Even on good days, when he wasn't hassled by the spirits of dead cops and wasn't prepping himself to commit murder, Junior sometimes grew uncomfortable in these bustling crowds. This afternoon, he felt especially claustrophobic as he shouldered through the throng-and admittedly paranoid, too. Reflecting upon her son's clever, diligent, and uncomplaining adaptation to darkness, she wished that she had described to him the dazzling sunset under which they had made their journey home. Although her words might have been inadequate to the spectacle, he would have elaborated on them to create a picture in his mind; with his creative skills, the world that he'd lost with his sight might be remade in equal splendor in his imagination. Dr. Lipscomb brought his hands to his face, covering his nose and mouth as earlier they had been covered with a surgical mask, as though he were in danger of drawing in, with his breath, an idea that would forever change him. "Having spent most of the last twenty years in this apartment, not being the one who has a car, how would I meet a Negro magician?" So these are reports of my explorations and discoveries: tales from Earthsea for those who have liked or think they might like the place, and who are willing to accept these hypotheses: things change: authors and wizards are not always to be trusted: nobody can explain a dragon. Although he ate more meals in restaurants than not, he hadn't ordered a burger in twenty-two months, since finding the quarter embedded in the half-melted slice of cheddar, in December of '65. Indeed, since then, he'd never risked a sandwich of any kind in a restaurant, limiting his selections to foods that were served open on the plate. Every distorted shape, every smear of color, every swath of light and shudder of shadows resisted her attempts to relate them to the world she knew, as if shimmering before her were the landscape of a dream. As if he sensed her reluctance to return to Dr. Chan, Barty had kept her occupied with talk of the red planet as they approached the office building, had talked her off the street, along the driveway, and into a parking space, where finally she relinquished the fantasy of an endless road trip. At 5:45, long past the end of office hours, Dr. Chan's suite was quiet. After carrying the two pieces of luggage to the car in the garage, he returned to the study. He sat at the desk and examined the contents of the drawers, then turned to the file cabinet. EVERY MOTHER BELIEVES that her baby is breathtakingly beautiful. She will remain unshakably convinced of this even if she lives to be a centenarian and her child has been harrowed by eight hard decades of gravity and experience. Reaching between the slats, Agnes tickled the pink piggies on his left foot. "Toes." His homely face was long and narrow, as though pulled into that shape by the weight of his responsibilities. In other circumstances, however, his

generous mouth might have shaped an appealing smile; and his green eyes had in them the compassion of someone who himself had known great loss..An outrageously sexy redhead hit on him as he selected from an array of bomb-shaped canapes on a tray held by a waiter dressed as a ragged and soot-smearred blast survivor. Myrtle, the redhead, preferred to be called Scamp, which Junior entirely understood. She wore a DayGlo green miniskirt, a spray-on white sweater, and a green beret..Returning from his tests, he'd gotten into bed without stripping off the thin, hospital-issue robe. He was still wearing it over his pajamas..Although only half the stools at the counter were occupied, and none of those close to Junior, customers were seated in most of the booths. Some had their backs to him, and three were about Vanadium's size..The quarter, silvery. Under the patriot's neck, the date: 1965. Coincidentally, the year that Naomi had been killed. The year that Tom had first met Cain. The year that all this had begun..Maria, however, lived comfortably with both the Catholicism and the occultism in which she had been raised. In Hermosillo, Mexico, the latter had been nearly as important to the spiritual life of her family as had been the former..Junior worried, however, that they had noticed him after he pulled to the curb twice behind them, that they were keeping an eye on him, ready to bolt if he got out of the car, in which case they might all make it inside before he could cut them down..Indeed, as Celestina and the kid reached the foot of the steps to this second house, Bartholomew pointed, and the woman turned to look back. She appeared to stare straight at the Mercedes, though the fog made it impossible for Junior to be sure..Kathleen watched him with obvious amusement, aware that he was savoring her suspense as much as he was the appetizer.. "From childhood, I've had this ... awareness, this perception of an infinitely more complex reality than what my five basic senses reveal. A psychic claims to predict the future. I'm not a psychic. Whatever I am ... I'm able to feel a lot of the other possibilities inherent in any situation, to know they exist simultaneously with my reality, side by side, each world as real as mine. In my bones, in my blood-".No scent of gasoline fouled the air. Apparently, the tank had not burst. Sudden immolation seemed unlikely-but only an hour ago so had Joey's untimely death..Junior was paying his dinner check and calculating the tip when the pianist launched into "Someone to Watch over Me." Although he'd expected it all evening, he twitched when he recognized the tune.. "Your father denies the rape ever occurred, apparently out of what I'd call a misguided willingness to trust in divine justice..Uncommonly healthy, he didn't suffer croup, flu, sinusitis, or most of the ailments to which other children were vulnerable..He exploded off Renee with the velocity of high-powered rifle fire. Stunned, disgusted, humiliated, he backed away from the chaise lounge, spluttering, wiping at his mouth, cursing..If she'd connected with his left side, as she intended, she might have broken his arm or cracked a few ribs. But he saw the chair coming, and as agile as a base runner dodging a shortstop's tag, he turned away from her, taking the blow across his back..This trick, however, was far more difficult than walking where the rain wasn't. Sustaining vision took both a mental and physical toll from him..At 3:22 in the morning, December 13, following a busy day of conducting ghost research, seeking Bartholomews in a telephone book, and working on his needlepoint, Junior awakened to singing. A single voice. No instrumental accompaniment. A woman..Given a child-size harmonica, he extemporized simplified versions of songs he heard on the radio. The Beatles' "All You Need Is Love." The Box Tops' "The Letter." Stevie Wonder's "I Was Made to Love Her." After hearing a tune once, Barty could play a recognizable rendition..Her eyes, lustrous pools, brimmed with the need to know, but she respected the deal. "I only half understood all that, and I don't even know which half, but in some strange way, it feels true. Thank you. I will think about it tonight, when I can't sleep." She stepped close and kissed him on the cheek. "Who are you, Tom Vanadium?".Having gotten the new roof for them at cost, Agnes subsequently put together donations from a dozen individuals and one church group to cover all but two hundred dollars of the outlay..When people didn't apply themselves to positive goals, to making better lives for themselves, they spent their energy in wickedness. Then Junior was flattered, he really was. Women couldn't get enough of him. The story of his life. They never let go gracefully. He was wanted, needed, adored, worshiped. Women kept calling after they should have taken the hint and gone away, insisted on sending him notes and gifts even after he told them it was over. Junior wasn't surprised that women would return from the dead for him, nor was he surprised that women he'd killed would try to find a route back to him from Beyond, without malice, without vengeance in their hearts, merely yearning to be with him again, to hold him and to fulfill his needs. As gratified as he was by this tribute to his desirability, he simply didn't have any romantic feelings left for Naomi and Seraphim. They were the past, and he loathed the past, and if they wouldn't let him alone, he would never be able to live in the future.. "But the breed is nervous, dear. With a nervous breed, you just never know, do you?.Slow deep breaths. Per Zedd, slow deep breaths. Any state of anxiety, regardless of how powerful, could be ameliorated or even dissipated.SHORTLY BEFORE one o'clock, the Hackachaks descended in a fury, eyes full of bloody intent, teeth bared, voices shrill..The day before Christmas, along the California coast. Although sun gilded the morning, clouds gathered in the afternoon, but no snow would ease sled runners across these roofs..In a red coat with a red hood, Bartholomew appeared first in the arms of the tall lanky man, the Ichabod Crane look-alike, who also had a large tote bag hanging from his shoulder..Neither Agnes nor Edom knew of Jacob's great skill with cards. He had been discreet about his apprenticeship with Obadiah, and for almost twenty years, he'd resisted the urge to dazzle his siblings with his expertise..Grace dropped the phone. Harrison let the frosting knife slip out of his fingers..Head lowered, as if his visit to Jacob were a weight that bowed him, his attention was on the ground. Otherwise, he might not have noticed, might not have been halted by, the intricate and beautiful pattern of sunlight and shadow over which he walked..He desperately needed closure in the matter of Naomi's death. That was what these past three years and these supernatural events were all about..Nicholas Deed was not the knave. He had already brought all the ruin into their lives that he was going to bring.. "I ALWAYS EAT CAV-EE-JAR FOR BREAKFAST," said Velveeta Cheese in her stuffed-bear voice..Snapping the cylinder into place, he rose to his feet. Already he had a new plan, and the cop's revolver was the most important tool that he required to implement it..Stepping forward, Agnes said, "When Barty holds my hand and walks me through the rain, I get wet even while he stays dry. The same for all the rest of us here ... except Angel.. "Those were Rowena's affectionate names for the boys when they were babies. Her private nonsense names for them, because she said they were like two beautiful little elves and ought to have elfin names.. "Miss White was admitted to St. Mary's late January fifth," said Nolly, "with dangerous hypertension, a complication of pregnancy.. "As yet, he hadn't taken either an antiemetic or antihistamine to ward off vomiting and hives, because he wanted to medicate -against those conditions as shortly before the violence as was practical, to ensure maximum protection. He'd intended to dose himself only after he followed Celestina home from the gallery and could be reasonably certain that he had located the lair of Bartholomew.. "I was raised to understand it," said Celestina, and when she looked across the room, she saw that her words had moved her mother..In his apartment once more, enjoying a cognac and a handful of pistachios as Monday changed to Tuesday, he decided that he should make 'preparations for the

possibility that he might one day leave incriminating evidence in spite of his precautions. He ought to convert a portion of his assets into easily portable and anonymous wealth, like gold coins and diamonds. Establishing two or three alternate identities, with documentation, also would be wise..Although Neddy had flushed to a rich primrose-pink, Junior still held his hand, crowding him, lowering his face even closer to the musician's. "If you vouched for a teacher, I'd feel confident that I was in good hands, but I'd still much rather learn from you, Neddy. I really wish you would reconsider-".Consequently, he scheduled more time every day with the phone books. He had obtained directories for all nine counties that, with the city itself, comprised the Bay Area..To see his newborn baby girl, Barty shared the sight of other Bartys, and he so adored this little wrinkled Mary that he sustained his vision all day, until a thunderous migraine became too much to bear and a sudden frightening slurring of speech drove him back to the comfort of blindness..When she went upstairs at 2:10 in the morning, she found the boy fast asleep in the soft lamplight, Tunnel in the Sky at his side..A siren in the city wailed toward St. Mary's. An ambulance. Through streets bustling with hope, always this lament for the dying..Extracting documents from his valise, Vinnie said, "Well, I've no right to talk. Food is my obsession. Look at me, so fat you'd think I'd been raised from birth for sacrifice.".Leaving the children under the tree, Tom returned to the house to phone the police..Finished, she gave him a mirror, so he could admire his new bicuspid cap. After five years of dentistry, paced so as not to tax Nolly's tolerance, Kathleen had done well what nature had done poorly, giving him a perfect bite and a supernatural smile. This final cap was the last of the reconstruction..The kitchen door stood open and full of light, but he missed it by two feet. He felt along the back wall of the house, discovered the door casing and then the opening, probed with the cane for the threshold, and stepped into the doorway..As always, curious about how others lived-or, in this case, bad lived-Junior explored the house, poking in drawers and closets. For a widower, Bartholomew Prosser was neat and well-organized..Widening his eyes in calculated surprise, Junior said, "Are you a police officer?".Eye to eye with Tom, Celestina herself did some clear-seeing. "You're special, too, in lots of obvious ways. But like Angel, you're special in some secret way ... aren't you?".Junior raised his voice even further: "In those old movies, the Little Rascals."
