The sight of her sister's blood and the persistence of the flow made Celestina weak with apprehension. She was afraid she had done the wrong thing by delaying hospitalization..Here, four days past Christmas, after two days of torment, Agnes knew the worst, that her treasured son must go eyeless or die, must choose between blindness or cancer of the brain..The cemetery had been mown for the holiday. The scent of fresh cut grass grew more intense the longer Agnes met her son's radiant green-blue gaze, until the fragrance became exquisitely sweet.."I don't have to graduate in the spring of next year. I can take fewer classes, graduate the spring after. That's no big deal.."I want you to adopt the baby." Before they could react, she hurried on: "I won't be twenty-one for four months yet, and even then they might give me trouble about adopting, even though I'm her aunt, because I'm single. But if you adopt her, I'll raise her. I promise I will. I'll take full responsibility. You don't have to worry that I'll regret it or that I'll ever want to drop her in your laps and escape the responsibility. She'll have to be the center of my life from here on. I understand that. I accept it. I embrace it.."After a while, Franklin Chan asked, "Do you want me with you when you tell him?"..He hit Celestina with the big question, the huge question, just as she paused in her babbling to suck in a deep breath, the better to spout even more nonsense, whereupon this panicky inhalation caught in her breast, caught so stubbornly that she was certain she would need the attention of paramedics to start breathing again, but then Wally popped open the box, revealing a lovely engagement ring, the sight of which made the trapped breath explode from her, and then she was breathing fine, although snuffling and crying and just generally a mess. "I love you, Wally.."..He's here as sure as I am, Barty. He's very busy, with a whole universe to run, so many people to look after, not just here but on other planets, like you've been reading about.."..The gray pants of her jogging suit, speckled with rain that had blown in through the shattered windshield, were suddenly soaked. Her water had broken..Still cautious, Junior approached the back door, the window. Vanadium's body lay on the car floor, wrapped in the tumbled blanket..Then by ambulance to the hospital, whisked into surgery, and for a while, blessed unconsciousness..Looking down at Barty, Agnes saw the ghost of Joey in the baby's face, and although she half believed that her husband would be alive now if he had never tempted fate by putting such a high price on his life, she couldn't find any anger in her heart for him. She must accept this final generosity with grace-if also without enthusiasm..By the time his ferocious in-laws had finished with him, Junior would have won the sympathy of Knacker, Hisscus, Nork, and everyone else who might have harbored doubts about his role in Naomi's demise. Perhaps even Thomas Vanadium would find his suspicion worn away..He'd been invited to a Christmas Eve celebration with a satanic theme, but he hadn't intended to go. The party was not being thrown by real Satanists, which might have been interesting, but by a group of young artists, all nonbelievers, who shared a wry sense of humor.."Mom always says that pigs will surely fly one day if ever Daddy chooses to convince them that they've got wings.."..Atop the dead woman, Vanadium's leather ID holder ignited. The identification card would bum, but the badge was not likely to melt. The police would also identify the revolver..Clutching the purse as though determined to resist robbery even in death, the guy dropped, sprawled, shuddered, and lay still. He'd gone down with no shout of alarm, with no cry of mortal pain, with so little noise that Junior wanted to kiss him, except that he didn't kiss men, alive or dead, although a man dressed as a woman had once tricked him, and though a dead pianist had once given him a lick in the dark..With the same surprising ease that she had gotten a plane out of San Francisco on a one-hour notice, Celestina booked two return seats on an early-evening flight from Oregon, as though she had a supernatural travel agent..Needlepoint, meditation, and even sex had not recently provided him with significant relief of tension. The paintings of Sklent and the works of Zedd were packed in the van, where he couldn't at the moment take solace from them..Through tears, that night, she asked him if the commitment he was making didn't frighten him..Agnes wasn't able to interpret his expression, not because he was in the least difficult to read, but because her perceptions were skewed by sudden fear and a flood of adrenaline. Her heart seemed to spin like a flywheel in her breast..When the long table was laden and the wine poured, when everyone but Mary settled into chairs, Angel said, "My daughter tells me she wants to make a short presentation before I say grace. I don't know what it is, but she assures me it doesn't involve singing, dancing, or reading any of her poetry.."..I..Eventually, dinner over, cleanup finished, when Maria and the uncles had gone, Agnes and Barty faced the stairs together. She followed, holding his cane, which he said he preferred not to use in the house, prepared to catch him if he stumbled..Celestina sensed an easy camaraderie between these two men, but also tension that was perhaps related to the reference to an illegal search..Paul set the nightstand down but waited, ready to shove the furniture into the stairwell if the swaddled gunman dared return..She started to get up from the chair behind the desk, but he encouraged her to stay seated.
